

**TRAVEL WITH PEACE OF MIND,
PROTECT YOUR VEHICLE WITH
UNITED STATES WARRANTY CORPORATION**

COMPONENT	AVERAGE REPAIR
REFRIGERATOR	\$450 - \$2,200
ROOF/CENTRAL A/C	\$500 - \$2,000
POWER CONVERTER	\$400 - \$600
FUELING STATION	\$225 - \$875
WATER HEATER	\$250 - \$1,500
FURNACE	\$275 - \$900
MICROWAVE	\$245 - \$950
WATER PUMP	\$225 - \$600
ELECTRIC STEP	\$250 - \$1,250
SLIDE OUT	\$250 - \$3,300
POWER JACK	\$275 - \$2,100
TELEVISION/DVD PLAYER	\$150 - \$1,000

40+ YEARS IN BUSINESS

- Highly experienced, professional staff
- Questions & requests are handled in a timely manner

COMPETITIVE COVERAGE

- 3 Different plans with competitive pricing to fit your needs
- Policies often pay for themselves in just one or two claims
- Selling your vehicle? Your contract is cancellable and transferable

WE CARE ABOUT OUR CUSTOMERS

- Claims adjusters are available 24/7
- Service approved at any repair facility in the U.S. or Canada
- 60-Day money back guarantee

This brochure is for promotional purposes only; it is not a contract. Ask your authorized USWC dealer for a complete copy of the actual service contract.

PLAN | EAGLE & EAGLE PLUS

AIR CONDITIONING/HEAT PUMP/VENTILATION

COMPONENTS: accumulator, bathroom vent fan motor, blower motor, blower motor fan, blower motor wheel, ceiling vent fan motor, compressor, condenser, ducts, duct work, electronic module, evaporator, expansion valve, heat strips, high/low cut-off switches, pressure cycling switch, printed circuit board, receiver-dryer, relays, reversing valve, run capacitors, Schrader valve, start capacitors and the thermostat.

AUXILIARY GENERATOR/ELECTRICAL COMPONENTS:

Gasoline/L.P.: all internally lubricated engine parts and the cylinder heads, engine block and the valve covers. **Electrical Parts:** alternator, coach inverter, coach inverter control panel, 12 volt fuel pump, gauges, hour meter, inverter controller, manually operated switches, power converter, printed circuit board, rotor, starter, starter solenoid, stator, transfer switch and the voltage regulator.

BRAKE COMPONENTS: backing plates, electrical actuator, hydraulic actuator, master cylinder, self adjusters, springs and the wheel cylinders.

ELECTRIC STEP COMPONENTS: controller, gear, linkage, motor, printed circuit board and the switches.

FRAME COMPONENTS: motorized tongue jack, non-motorized landing gear, non-motorized stabilizer jacks and the non-motorized tongue jack. **Mechanical Pop-up/Pop-out:** cables, latch, lift crank and the pulleys.

L.P. SYSTEM COMPONENTS: automatic shut off, detectors, fittings, gauges, L.P. lines, L.P. tanks, pigtails, regulators and the valves.

NON-HYDRONIC L.P. AND ELECTRIC FURNACE COMPONENTS: blower motor, blower motor fan, blower motor wheel, burner assembly, ducts, duct work, fittings, gas valve, igniter, limit switch, printed circuit board, sail switch, thermocouple and the thermostat.

NON-HYDRONIC L.P. AND ELECTRIC WATER HEATER COMPONENTS: burner assembly, control panel, control switches, fittings, gas valve, heating element, igniter, pressure relief valve, printed circuit board, tank, thermocouple and the thermostat.

ON BOARD FUELING STATION COMPONENTS (Toy Haulers & Live-In Horse Trailers only): check valve, handle, motor, pump, pump gears, switch and the tank.

RANGE/OVEN COMPONENTS: burner assembly, burner valves, fittings, heating element, igniter, microwave convection oven, microwave oven, power hood fan, power hood fan motor, power hood fan switch, printed circuit board, thermocouple and the thermostat.

REFRIGERATOR COMPONENTS: burner assembly, compressor, condenser, cooling unit, evaporator, expansion valve, fan, fittings, heating element, igniter, printed circuit board, thermocouple and the thermostat.

SUSPENSION COMPONENTS: coil springs, leaf springs, spindle supports, spindles, wheel bearings and the wheel hubs.

WASTE SYSTEM COMPONENTS: ball valves, fittings, gate valves, holding tanks, holding tank flush valves, interior drain lines, non-powered slide valves, non-powered toilet, traps and the water inlet valves.

WATER SYSTEM COMPONENTS: ball valves, check valves, fittings, gate valves, holding tanks, interior supply lines, shower faucet, shower head, sink faucets, traps, water inlet valves, water manifold and the water pump.

SEALS & GASKETS COMPONENTS: seals & gaskets on Parts which prevent the loss of fluids or refrigerants. Fluid seals must be leaking to an active drip.

OPTIONAL COVERAGE FOR PLAN: EAGLE

(The coverage below is included with Plan: Eagle Plus, unless otherwise noted)

AUDIO/VIDEO COMPONENTS: component CD/DVD player, driver monitor, in-dash A.M./F.M. stereo with cassette deck and/or CD player, rear camera, CRT televisions, video cassette recorder/video cassette player, up to three (3) factory or dealer installed plasma/LCD television/monitor (up to 50").

DELUXE APPLIANCE COMPONENTS: Over the Door, Patio and Window Awnings: awning cam lock, awning motor, awning springs and the crank mechanism. Blender, carbon monoxide detector, central vacuum cleaning system, dishwasher, external barbecue, food processor, freezer, ice maker, in-sink disposal, smoke detector, trash compactor, washer and the dryer.

ELECTRIC LIFT BED COMPONENTS: bearings, drive gears, drive shaft, electric motor, lift chains, limit switch, main control switch, printed circuit board and the tracks.

HYDRONIC FURNACE COMPONENTS: control box, fan motor, heat exchanger, heating element, igniter, L.P. solenoid, L.P. valve, printed circuit board, tempering valve, thermostat and the water pump.

LEVELING SYSTEM COMPONENTS (Hydraulic/Electric): actuators, control box, control switches, cylinders, electric motor, electric switch, electric switch wiring harness, fittings, gear box, gears, hydraulic lines, motorized camper jacks, motorized landing gear, motorized stabilizer jacks, printed circuit board, pump, reservoir, sensors, solenoid valves and the gears.

SLIDE OUT ROOMS/MOTORIZED POP-UP/MOTORIZED POP-OUT COMPONENTS (Hydraulic/Electric): Accu-Slide™ drive cables, actuators, control box, control switches, cylinders, electric motor, electric switch, electric switch wiring harness, fittings, gear box, gears, hydraulic lines, printed circuit board, pump, rams, reservoir, rollers, sensors, solenoid valves, topper awning springs, tracks and the gears.

ULTRA ELECTRONIC HI-TECH COMPONENTS: Electric Toilet: controller, flush control switch, printed circuit board, pump motor, water solenoid valve and the wiring harness. **Electronic Entrance:** actuators, printed circuit board, servos, solenoids, touchpad and the transmitter. **Compass and the Thermometer.**

WHEEL CHAIR LIFT COMPONENTS/ADA PACKAGE: actuator, electric motor, hydraulic pump, locking handrails, manual hand pump, power control switch, pressure release valve, relays and the steel frame.

SATELLITE SYSTEM COMPONENTS: factory or dealer installed satellite system (excludes wiring).

CONSEQUENTIAL DAMAGE: coverage for the following Parts if damaged due to an Authorized Breakdown: batteries, belts, brake pads, brake shoes, brake drums, brake rotors, exhaust and emission systems, filters, fuses, glass lenses, hoses, light bulbs, safety restraint systems, sealed beams, shock absorbers, solar panels, spark plugs, spark plug wires, intelligent cruise control systems and wiper blades. (Not included in **Plan:** Eagle Plus or **Plan:** Eagle Guardian, unless this option is purchased.)

PLAN | EAGLE GUARDIAN

Provides coverage for virtually all factory installed or factory approved and dealer installed mechanical, hydraulic, electrical and electronic parts essential to the operation of your recreational vehicle.

Eagle Guardian coverage includes all Component Headings in **PLAN:** Eagle & Eagle Plus including the Optional Coverage, unless otherwise noted, plus hundreds of other components. Everything on your vehicle is covered, unless specifically excluded. Eagle Guardian exclusions are listed below, see service contract for full details and general contract exclusions.

EXCLUSIONS:

- functional or non-functional ornamentation (i.e. trim, molding), cosmetic appearance items (i.e. bright metal, diamond cut metal, chrome, and/or premium polish finishes/coatings), video gaming system, carpet, fabric, glass, wood, synthetics or composites;
- walls, ceilings, heated floors, floors, support structures, frames, roofs, skylights, doors, windows, the interior/exterior of any cabinet/storage compartment/cavity or any parts interrelated to the above listed components.

BENEFITS (Included on all Plans)

SENIOR CITIZEN/MILITARY ADVANTAGE:

25% reduction of your deductible.

DEDUCTIBLE REDUCTION:

A 50% reduction of your deductible for repairs being performed at dealer/seller.

EMERGENCY SERVICE CALLS:

\$125.00 for an on-site service call.

TOWING/ROAD SERVICE/LOCKOUT:

Towing up to \$1,000; battery jump-start; flat tire change; fuel delivery; locksmith up to \$500.

TRIP INTERRUPTION:

\$150 per day for meals/lodging expenses.
