ABOUT USWC

Established in 1975, United States Warranty Corporation (USWC) is one of the oldest providers of vehicle service contracts in the United States.

We offer the widest variety of plans for all types of vehicles.

USWC is fully insured, utilizing the same A-rated (Excellent) insurance carrier since 1975.

We ensure vehicles get the servicing they need at prices owners can afford.

ANCILLARY COVERAGE

TIRE & WHEEL COVERAGE

This protection is strictly for road hazard damage. Road hazards are those unusual conditions that may occur on the highway such as pot holes, nails, glass, and other hazardous materials.

Terms available: 3, 5 or 7 years

What is covered:

- Flat tire repair
- Tire replacement
- Wheel replacement
- Mounting & balancing
- Sales tax
- Up to \$100 for road service
- Tow vehicle and vehicle being towed

GAP COVERAGE (GUARANTEED ASSET PROTECTION)

Before you hit the road, make sure you have GAP.

Did you know you are responsible for the balance owed on the vehicle if it is a total loss?

GAP covers the difference between your loan or lease and your insurance settlement.

BENEFITS

- Pays the GAP
- Pays the deductible (up to \$1000)
- Protects customers credit rating
- Protects customers savings

RV TECHNICAL COVERAGE

Certified and master certified technicians are only a phone call away with 24 hour technical assistance.

Common technical support questions are about:

- LP gas
- Appliance issues
- Leveling problems
- Electrical situations
- Fresh Water systems
- Slide Out issues

PAINT & FAB COVERAGE (SURFACE PROTECTION)

Exterior Paint

Protection for environmental impact to painted surfaces:

- UV damage
- Tree sap
- Bug and bird damage
- Hard water etching

Interior Antimicrobial

Protects interior surfaces from: Mold, Mildews and Fungus that result in odors and staining.

Upholstery

Protects from stains, small tears, punctures and UV damage.

Windshield

Laboratory tested to protect your windshield from rock damage, chipping and scratches.

Headlight

Resists yellowing and fading of the headlight surface.

Chrome

Protects chrome surfaces from damage such as water spot and bird drop etching.
